

HOW TO USE COLOR CODED CLAN CARDS

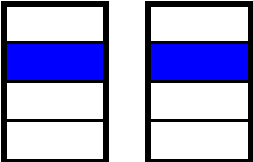

(Na'ashch'aa'ígíí bee hak'éí bééhózin)

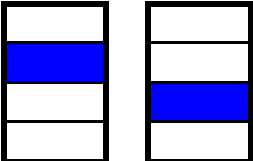

Those with the same letters mean they are the same, or they are reversed. All the terms are from you to the other person. You figure out what the person will say back to you. If there are other combinations, you have to figure it out differently, or case by case. The boxes, from top to bottom are, your first clan, born for, maternal grandfather, and paternal grandfather.
